TO THE RESIDENTS OF BAR HILL FROM COUNTY COUNCILLOR GERALD COTEMAN

As this Council approaches the end of its four year term, the view is a good deal more optimistic than might have been expected 2/3 years ago when financial pressures upon the Authority were greatest. The historically untidy financial arrangements of some programme committees, especially Education, have been put in good order. To compliment this progress, we have established a management structure and service planning process which are the envy of local authorities nationwide.

This work has enabled us to identify priorities for each service, plan for them, and fund them. Substancial savings and better use of money have meant real improvements in services for the elderly and mentally handicapped, more primary school teachers and better levels of capitation, better policing and fire cover.

In spite of continuing restraint on public expenditure, which is much needed, the future for the County looks bright with a strong local economy, increasing job opportunities, and good public services. The County Council must recognise its role in the wider economy, offer strong leadership, show continued determination to control spending and a willingness to make real reductions in expenditure wherever possible, and ensure that members and not officers are directing policy.

It has been my pleasure to work with many of you in Bar Hill, and I have particularly enjoyed watching the groups in the village who provide much needed community services to the growing population. Talks that I initiated have resulted in the Libraries Review Working Party identifying the provision of a permanent library in Bar Hill as a matter of high priority. I

continued/

/continued
have also applied pressure so that Bar Hill Primary School will get its much needed extra accomodation in the near future. A fight for improved safety measures on the A604 has recently been successful. Although Bar Hill has now an active Community Policeman, a permanent Police Station remains a high priority.

My time as a Councillor has been both challenging and rewarding, and I am very sorry indeed to be announcing to you my intention not to seek re-election for business reasons. I have given a very significant committment to my duties on your behalf and on behalf of the people who live and work in the county, and I know that John Reynolds, the Prospective Conservative candidate will give the same.

BAR HILL BRANCH - SOUTH EAST CAMBRIDGESHIRE CONSERVATIVE ASSOCIATION

Following the announcement that County Councillor Gerald Coteman is not to seek re-election to the County Council on May 2nd., Mr.John Reynolds has been unanimously chosen by the Bar Hill and Girton branches of South East Cambridgeshire Conservative Association to be their prospective candidate.

John Reynolds is presently County Councillor for the Coleridge Ward in Cambridge City and lives at 4 Pettits Lane, Dry Drayton. He is a member of the Education Committee, Vice-Chairman of the Secondary and Further Education Sub-Committee, and deeply involved in the Manpower Service Commission's Youth Training and Community Programme Schemes. He is also a member of the Social Services and Public Protection Committee, and was, for two years, on the Police Committee.

He was also a member of the Libraries Review Working Party which identified Bar Hill's need of a permanent library as a high priority.

BAR HILL BRIDGE CLUB

Bar Hill Bridge Club lays its cards on the table - we are looking for a full house. To attract new members, we now play DUPLICATE BRIDGE every Wednesday, 7-10 pm at the local school.

The atmosphere is very friendly (with coffee provided for a mid-evening break), yet the bridge is stimulating and exciting. There is no obligation to join the club straight away - newcomers and visitors are most welcome on a pro rata basis. Whether you are a novice or a fanatic, we would be most interested to hear from you.

Why not give us a try ? Please phone Tom Fleming (CH 80802) or Gina Rexworthy (CH 81430) for further details.

PARISH COUNCIL NOTES

The monthly meeting of the Parish Council was held on Tuesday 15th January in Bar Hill School.

School

The current accommodation problems at the school were discussed and the Council has sent a letter to the Education Officer expressing concern and hoping that the situation will soon be resolved.

Street Naming

The District Council have written to confirm the name "Thruffle Way" for Fairway Site 2. As from 31st March this will officially become part of Bar Hill parish, in addition to that part of Chestnut Rise currently in the parish of Dry Drayton.

Tesco

Mr. Wheeler reported on his recent meeting with Tesco management. Dr. Newsom's list of medical requirements which she suggests Tesco's should stock is under consideration and further information will be given when it becomes available. The number of staff responsible for retrieving abandoned trolleys has been increased and the feasibility of chaining trolleys together at night is being investigated. Please report any abandoned trolleys to the reception desk in Tesco and they will be collected. The Council also wishes to thank Tesco's for the new notice board in The Mall.

BAR HILL COMMUNITY SCHOOL USERS ASSOCIATION

By the time you read this letter I hope the Arctic conditions will have warmed up and that you all feel like stepping out and sampling the delights of your community school. If the weather is still cold and the going treacherous may I remind you we are very cosy and warm in the evenings here and you will receive a very warm welcome.

The Indoor Bowls has got off to a good start. The Open Evening at the end of last term went very well and over 30 people popped in to see what it was all about and a very enjoyable evening was had. The first 'club' evening was held on the first Friday of the term and will be meeting every Friday at 7.30pm. An extra mat has been ordered so that more people may play as the response has been so good. If you are still wavering please come down on a Friday night and see the club in action.

The Embroidery Class has also got off to a good start and those who came along to the 'Taster' evening must have been impressed by the tutor's work and inspired to emulate her.

This month we have a Chinese Wok Cooking evening. This method of cooking is very popular and if you haven't tried it this could be a chance to see how its done and if you have - well you can always try any new ideas that come your way during the evening. Tickets will be 75p and sold at the door on the night so I look forward to seeing you on Wednesday 6th February at 7.30pm.

At the beginning of March we are holding our very first Community Users Dance. Mike Bunting's Band has been booked and a good hot meal has been arranged. Tickets are £5.50 and will be on sale through the various clubs using the school and from the school office. Come and enjoy a really good CARNIVAL DANCE. Don't miss the event of the year. FRIDAY MARCH 1st. 8.00 - midnight.

March also sees the beginning of the growing season and to meet requests from the gardeners of the village a Gardeners Question Time has been arranged for WEDNESDAY 6th MARCH. Think up some questions and get the answers to your problems from Mr. J. Hobson, Head of Propogation and Nurseries in the City, Mr. Watt - Head of Shrubs, grass areas and Bedding at Cherry Hinton Hall and City and Mr. Andrews - now retired but a whiz with vegetables. Without your questions and the relevant answers its going to be a dull evening so do come along and solve your gardening problems. No excuse, make Bar Hill gardens the envy of Cambridgeshire.

I should like to remind our Senior Citizens that the lunch club on Tuesdays at 12 noon is working very well but we could do with a few more of you. Come out and try the meals. You have a choice of first course and sweet, followed up with a cup of coffee and a natter. Cost £1.

Well, there's a start for the activities for this year. Remember I am always open to suggestions for one off evenings and courses. I look forward to seeing you at YOUR Community School.

BAR HILL RESIDENTS' ASSOCIATION
1985 MEMBERSHIP SUBSCRIPTIONS

The Committee will be collecting this year's membership subscriptions during the months of March and April. The funding of the Association depends to a large extent upon the subscriptions and enables the monthly issue of the Bar Hill News to be produced. In recent years we have also been able to largely fund the annual village firework display. This year the subscription is again unaltered at £1 per household which we believe offers excellent value. Less than 2 pints of beer or 1 gallon of petrol!

This year the Committee are desperately seeking additional helpers to collect the subscriptions and if you could help please contact Paul Chubbuck on CH 81688. PLEASE help and offer your services if you possibly can.

Keeping things moving in.....

BAR HILL

EKINS have had a long association with BAR HILL and to maintain our service we appoint an experienced sales negotiator to have sole responsibility for the village.

PAUL KINALLY is our specialist - call him on Crafts Hill 81543 or Cambridge 65931.

PAUL will be pleased to call at any time to discuss your property and advise you without obligation what price it should bring in today's market. (If you have already instructed a firm of agents to act on your behalf, we can only accept instructions from that agent).

There is a buyer for every type of property and it is our business to not only find that buyer but to get the highest possible price.

The way to sell your property in the shortest possible time, at the best price, is to put it before the largest number of buyers. This we can do.

We have seven major offices throughout Cambridgeshire and Bedfordshire and over 140 staff working to sell your property.

***Important Notice** - through our own Mortgage Department we can get your purchaser a mortgage.*

CO-WORKERS OF MOTHER TERESA

Yes, we are still in action.

Can you spare one afternoon a week to come and join us to either knit squares for blankets, or an outfit to fit a 16" doll, or sew small pinafores or short pants for little boys, or hem cot blankets and nappies, or take off collars from cotton or cotton and polyester shirts and shorten the sleeves ?

These are all the things we send to India. The garments to fit the doll are for the tiny babies which Mother Teresa and her workers take in and care for. They do not have incubators for them so have to make do with warm clothes. I have the needles and the wool, although I always welcome more, and if you prefer you may have them to work at home.

NONE OF THAT APPEALS TO YOU ?

Right, how about helping to sort the jumble we collect for

Single parent families - Gingerbread.
OR Womens aid, which used to be called Battered Wives.
OR ask all your friends if they have anything they can spare to help these people ?

Think how warm and safe you feel, of your happy family. How can you help ?

AT ANY RATE, THANK YOU FOR READING THIS.

We meet on the first Wednesday of the month at 2.30 pm at 61 Hollytrees.
